

# Utility Providers' Acknowledgement Form

When proposing to encroach into or abandon sell, or vacate a public utility easement or right-of-way, any additional utility companies who currently use the easement or right-of-way must be notified. A list of the utility companies and each representative is included in this form for your convenience as well as signature blocks for their acknowledgements. All applicable signature blocks must be completed by the respective utility companies prior to submittal of the License to Encroach application. A separate form is required for each property.
