## Intentions to Satisfy Requirements of UDC 13.08

This project intends to satisfy the Parkland Dedication and Development Requirements of [UDC Section 13.08](#) through the manner selected below – *please select one option*:

- This project proposes less than five dwelling units and is exempt from the parkland dedication and development requirements of the UDC per UDC Section 13.08.020.
- As a part of this project, land will be dedicated for a public park and improvements constructed for the park in-lieu of the payment of fees. We have met with the Parks & Recreation Director on \_\_\_\_\_ (*insert date*) to review the requirements set forth in the UDC and received preliminary approval to proceed with public park land dedication and development. Parkland will be dedicated at a ratio of 1 acre for every 80 single-family/two family units proposed and 1 acre for every 110 multi-family units proposed. A parkland improvement agreement is required.
- As a part of this project, land will be dedicated for a public park and fees-in-lieu of parkland development will be paid. We have met with the Parks & Recreation Director on \_\_\_\_\_ (*insert date*) to review the requirements set forth in the UDC and received preliminary approval to proceed with public park land dedication and development. Parkland will be dedicated at a ratio of 1 acre for every 80 single-family/two family units proposed and 1 acre for every 110 multi-family units proposed. The required fees will be paid prior to final approval of any development permit for this project.
- Instead of dedicating or constructing a public park, this project will pay the fees in-lieu of parkland dedication and the development fees that are set within the [fee schedule](#). There is no intent to construct a private park for credit. The required fees will be paid prior to final approval of any development permit for this project.

- In this project, land will be set aside for a private park and will be developed with non-exclusive park improvements to be used as partial credit, up to 50%, toward parkland dedication and development requirements. We have met with the Parks & Recreation Director on \_\_\_\_\_ (insert date) to review the requirements set forth in the UDC and received preliminary approval to proceed with private park land dedication and development. Private Park credit requires a recommendation from the Parks and Recreation Advisory Board
- This project is subject to the alternative parkland dedication and development requirements approved in a Planned Unit Development or a Development Agreement. Any required parkland dedication or development is reflected in the submitted plans, and/or any fee-in-lieu required will be paid prior to the approval of any development permit.
